RE: Cybersecurity Intern, Job ID:2300

Dear Director of Human Resources,

Throughout my career, I have contributed to impacting business outcomes through excellent customer service, attention to detail, and learning new skills. My qualifications are an ideal match to the Cybersecurity Intern requirements and will provide a mutually beneficial experience for myself and Farm Credit of the Virginias.

While in my College Student role, I have exercised a calculated and methodical approach to problem solving. I am independently motivated, yet I appreciate team efforts and collaborate productively within groups. Additionally, I am studying Computer Architecture and Programming with proficiency in Java.

Because my professional goals align with Farm Credit of the Virginias's mission and values, this opportunity is especially exciting. I believe my critical thinking, problem-solving and teamwork abilities will support and drive your continued organizational success.

To demonstrate the scope of my career history and professional competencies, please take a moment to review my attached resume. I appreciate your time and consideration for this position.

Sincerely,
Xander Thompson
